Dear Ms. Steffens:

I am writing on behalf of the North Carolina Division, Sons of Confederate Veterans to confirm that our organization, a North Carolina non-profit corporation, meets the criteria prescribed by N.C.G.S. §163-278.19(f).

Accordingly, the North Carolina Division, Sons of Confederate Veterans has an express purpose promoting social and educational ideas and not to generate business income. We do not have shareholders or other persons, which have an economic interest in our assets and earnings. Our organization was not established by a business corporation, by an insurance company, by a business entity (including, but not limited to, those chartered under Chapters 55, 55A, 55B, or 58 of the General Statutes), by a professional association, or by a labor union and we do not receive any revenue from such entities.

In relation to our in-kind contributions to the NC Heritage PAC, I trust the above is sufficient to illustrate our compliance with state campaign finance law and regulations.

Please do not hesitate to let me know if you have any questions or require further information. I can be reached by phone at (919) 721-1231 or email at [scvmechcav@hotmail.com](mailto:scvmechcav@hotmail.com).

Best regards,

R. Kevin Stone
