Importance: High

Good afternoon,

Our office is in receipt of a 2022 First Quarter Report for the committee. This document has been processed as miscellaneous and will need to be resubmitted.

The report is unsigned. North Carolina Statute requires that all campaign finance documents be complete with a "wet signature," which means that the signature must be an original, not a photocopy or a stamp.

Please resubmit the 2022 First Quarter Report to our office with the original "wet ink" signature of the treasurer as soon as possible.

Please refer to the attached link on our website for campaign finance information, forms, schedules, and manual: [Campaign Finance | NCSBE](#).

Thanks,
Clint
