Our office is in receipt of your committees documents on 5/9/2022, they will be scanned as miscellaneous. To be considered a full report your committee must submit at a minimum: the Disclosure Report Cover (CRO-1000) and the Detailed Summary (CRO-1100). The report received by our office does not include a signed Disclosure Report Cover (CRO-1000). This form is Required for each disclosure report.

The Disclosure Report Cover (CRO-1000) has multiple important functions. The three key components that staff processing the form will look for upon receiving the report are: 1. Identification of the committee (as listed on the Statement of Organization submitted by the committee); 2. Identification of the period that the report covers; and 3. The signed certification statement. All disclosure reports must bear a signed certification statement. Without the signature under the certification statement, the paperwork will be treated as noncompliant.

NC FOR JUSTICE PAC has not filed an Organizational Disclosure Report (covering from 4/20/2022 through the first ten days) or a 2022 First Quarter Report (covering from where the Organizational Disclosure Report ended through 4/30/2022). You will need to complete, sign and file all required forms. Please note, each Disclosure Report Cover (CRO-1000) must have an original "wet signature."
