Re: Notice Of Penalty – **STA-C3156N-C-003**
U.S. Postal Service & email campaign.reporting@ncsbe.gov

Dear Board,

I respectfully request that you consider waiving the penalty assessed against me. During the reporting period, I underwent two heart surgeries and was receiving ongoing medical treatment, which contributed to my oversight.

I timely mailed my First Quarter Finance Reports; however, I was unaware that the Disclosure Report had not been submitted. I only discovered the issue when I accessed my account on the BOE website and learned that an email notification had been sent. Unfortunately, I never received the notification because it was sent to an incorrect email address. I have since contacted your office in an effort to correct my contact information.

Given these circumstances, including my significant medical issues and the fact that I made a good-faith effort to comply with the reporting requirements, I respectfully ask that you take this situation into consideration and waive the penalties assessed.

Thank you for your time, understanding, and consideration of this request.

Sincerely,

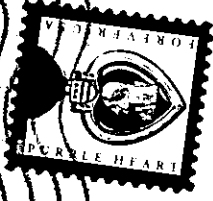

David Brent Cloninger
